

INDEX 2005

Volume 96, Issues 1-6

Compiled by Jacqueline Coleman

Figures after the name of an article, such as 95:6:170, show the volume number, the issue (six would be November-December) and the page number. Page numbers are consecutive throughout a year, except volume 96, issue 6 starts with first inside page as page one and goes from there. Past issues can be obtained from San Diego Floral Association office, 619-232-5762.
